PREMIUM DIESEL

We want to keep you on the move and offer two diesel products to suit your performance needs, our exclusive **Premium Diesel** and **Premium 50 Diesel**.

● Premium Diesel

- Proprietary blend of cold flow improvers
- Anti-gel agent lowers the cloud point of fuel
- Cleans and maintains your engine
- Extends the life of your equipment
- Increases lubricity (EMA specification)
- Lowers exhaust emissions
- Reduces engine misfire
- Compatible with bio-diesel fuels/blends

● Premium 50 Diesel

All the benefits of **Premium Diesel**, plus:

The highest level of cetane improver available which boosts fuel to 50 cetane or higher.

- Improves ignition quality of a blended fuel
- Increases engine longevity
- Improves fuel efficiency

LUBRICANTS & MORE

We offer several brands of oils and lubricants to meet a variety of needs. The products we offer are hand-picked to ensure maximum quality and have met or exceeded rigorous tests to keep up with the latest manufacturer specifications.

D-A Lubricant Company is a registered trademark of D-A Lubricant Company, Inc. Phillips 66® is a registered trademark of Phillips 66 Company Corporation. Mobil® is a registered trademark of Exxon Mobil Corporation.
